Veterinary at a Glance 2nd Revised edn

(For PG-SAUs Entrance, ICAR-IVRI, ICAR-NDRI, PhD, JRF, SRF, ARS, NET, Veterinary Officers, Civil Services and other Allied Exams)

This extensively revised second edition provides up-to-date, simple and concise information on the veterinary science and animal husbandry. Comprehensive coverage includes the veterinary science: an overview, livestock production technology and management, veterinary anatomy, veterinary gynecology and obstetrics, animal genetics and breeding, veterinary parasitology, veterinary microbiology and immunology, veterinary pathology, veterinary pharmacology, veterinary surgery and radiology, veterinary public health and epidemiology, veterinary biochemistry, veterinary extension, veterinary economics and veterinary biostatistics. Detailed glossary of important terms and frequently asked questions are provided at the end of the book. Apart from this, 20th Livestock Census 2019 has been added. Multiple choice questions, fill in the blanks, true/false and matching type questions embedded at the end of each chapter will enable the readers to up-date their knowledge quickly and understanding of subject matter in depth. Every possible effort has been made to accommodate previous year questions from various competitive examinations to make you familiar with the exam pattern and the type of questions asked, with their appropriate answers. This would be very useful for those appearing for various competitive examination, like post-graduate SAUs Entrance, ICAR-IVRI, ICAR-NDRI Ph.D, Junior Research Fellowship.(JRF), Senior Research Fellowship(SRF), Agricultural Research Service(ARS), National Eligibility (NET), SET aspirant of civil services and other allied examination conducted by different agencies. The book shall also be useful for the neo-vets, livestock development officers, animal health workers and progressive livestock farmers. It is sincerely hoped that the present extensively revised edition of this book will be found much more useful than the earlier editions.
