Academic Research in Indian Universities

GJP Dixit, Suresh Jange

This research work attempts to study Scientometric portrait of academic and research community covering Vice Chancellors and Academic Deans in Universities working in State and Central Universities of South India covering states of Andhra Pradesh, Telangana, Karnataka, Kerala and Tamil Nadu as well as the union territories of Puducherry. This provides a new insight for data collection using Scopus Database, Web of Science Database, Indian Citation Index and Google Scholar citations. This book will serve as a model to the planners in the higher education system and enable the younger scientists to emulate and thereby improve the research output of the individual, institute being served and help the country in moving towards better accreditation in the context of NAAC, NBA, NIRF etc., ranking.
